

# Phase Four Blends

Sounds buttons.

belt  
.....

spade  
.....

dolphin  
.....

Each sound (grapheme) will have a button.

Single sounds (phonemes) have a dot, like **b** and **e**.

Two letters together that make one sound (a digraph), like **ph** and **sh** have a line underneath.

Remember that the Phase 4 blends like **sp** are still two sounds (phonemes) blending. They are not digraphs. So they have dots underneath them not lines.
