La Weave learning to use punctuation accurately.

~~One~~ At the far end of England there lived a ~~old~~^{old} man called Tom, and his black and white cat Mouse.

They lived in the old town of Mousehole. The people became fond of this name. Tom has brown eyes a grey thick beard and a kind heart. He lived in a small cottage. He has 2 children one boy one girl and 3 brothers.

His mother and father died at sea and his wife died of an illness. Tom was about 12 and Mouse was ~~21~~ ²¹. Cornwall is ~~is~~ beautiful with ~~it's~~ ^{its} huge ^{rocky} cliffs, lush green ~~fields~~, a shimmering blue sea with white sandy beaches and all the lovely kind people ~~Tom~~ ^{Tom} loved. Then one winter came there was a terrible storm, the huge waves crashed ~~at~~ the

clouds darkened. lightning
flashing out and, rain
pouring and splashing
of the rough sea.

"Tom sighed. Mazer was me-
handsome ~~port~~ he was
a well spoken ~~master~~
man" it ~~was~~ is nearly
Christmas and no man
can stand by at
Christmas and see
the children starve.

"I must go fishing
because all the other
men had their wives
and children waiting
for their return I
shall go out tomorrow

Tom said". The next morning

Tom lit a lantern
in the window and
stoked the old range
then they set out
in their tiny boat
as they got to sea ~~the~~ ^{the} ~~ser~~
to ~~the~~ the mouse
hole all of a
sudden ~~they~~ Mazer
started to sing
but it was more
like wailing.

The storm paused
and let our little

boat through the
mousehole gap into
the open sea. The
gigantic waves crashed
against the tiny boat.
Mouzer sang again
~~and~~ until the ~~waves~~ ^{nets}
were ~~seriously~~ put
out. A few minutes later
I hauled in the nets.
We had enough fish
to last a life time.
