X A new land discovered

by Senior reporter Marlee Sharp

On the 29th September, the HMS Beagle landed on ~~a~~ scorching hot island with tall trees.

On the ship was captain Fitzroy. This unfamiliar island ~~was~~ called Tierra del Fuego. On this island lived a boy named Jerry Button. Jerry Button had lived on ~~a beach~~ the island for a very long time. Fitzroy's boat was from the Savanna tribe. This boy has come from an uncivilised culture. This strange boy ~~has~~ is going to X land in around about two months time.

Jerry seems to be a boy with great intelligence. Jerry has an inquisitive mind.

Captain Fitzroy says that ~~before~~ they come back they will be exploring the island that this boy has recently been living for about two months and a half. The captain has packed a load of bags ~~to~~ full of their survival things for their survival. According ~~to~~ the tribe of people the boy has will ~~be~~ climb to the top ~~x~~ of the tallest trees and gaze at hundreds of sparkling ~~x~~ stars.
