

## My Dream Holiday

Our summer holidays will all look a little bit different this year, but we can all still think about what our dream holiday would be!

Think about one place in the world where you would love to go. You might even have several places and love to do a big trip!

Use the internet to research the place (or places) you would like to go to.

Find some pictures and information about the place and then write an explanation of why you would like to go there.

Have a look at the example on the next page.

# My Dream Holiday

For my dream holiday, I would go to Japan. It is a really long flight from England, so I would love to get a seat which you can lay back and sleep on! I would go to the capital city, Toyko to see Mount Fuji as all the photos I have seen look incredible. I would also visit the beautiful temples. In April, there is lots of blossom on all the trees in Japan and there are often lots of celebrations so I would enjoy going then. I would also like to visit some different museums, including the Snoopy museum. Once I had been to Toyko, I would like to visit some other places via the bullet train which has two floors and travels extremely fast. I would then go to some islands around Japan as the scenery looks amazing. Throughout my holiday I know I would enjoy all the lovely food in Japan – especially sushi!
