

#### Covid-19

As parents will have seen in the press yesterday, Surrey has been placed in Tier 2 of the Government's restrictions once the national lockdown ends on Tuesday. Attached to the newsletter this week are posters detailing what the restrictions are for each tier, which we hope parents will find useful.

### **Staff News**

We are delighted to share the exciting news that both Miss Glaves and Miss Fitzgerald are expecting a baby in April! Due to the Government guidance for pregnant members of staff, both Miss Glaves and Miss Fitzgerald will be working from home when they reach the 28 week stage of their pregnancies, which is early January, until their official maternity leave begins. During this time, they will be carrying out remote learning with children through the wonders of modern technology! We know parents will join us in congratulating both members of staff at this exciting time.

# **Parents Equality Survey**

There is still time to complete our Equality survey, so far we've only had 15 responses – thank you to those parents – but we would like more information from you. Please could one parent or carer per household complete the following survey, which is seeking views about how diverse (reflective of different unique people) our learning offer is? <a href="https://forms.gle/MgngodyCR3wLiq1cA">https://forms.gle/MgngodyCR3wLiq1cA</a>

#### Uniform

A reminder that children should be coming to school in trainers every day. We are seeing a few winter boots creeping in but children need to be in trainers to ensure they can take part in their daily mile safely. Can we please also remind parents that children should only be wearing small, discreet stud earrings and for any child whose hair is shoulder length or longer, it needs to be tied back with plain green bands; big bows are for home and not school. Thank you.

#### **Christmas Gifts**

Last year, in a change to the traditional gift giving at Saxon, teachers made something special with the children in class for them to take home, as the school's way of wishing the children a Merry Christmas. The whole staff team also decided to give gifts to charity rather than each other, and created Christmas gift hampers which were donated to local charities. Following the success of this last year, we will continue with this new tradition at Saxon. As always, there is never any expectation for staff to receive gifts from children and families.

#### Panto!

For the last few years, we've had a visit from M&M Productions in January who perform a well-loved panto to the children. This year, whilst the format is going to be different and Covid-secure, we are excited to share that the Panto will be going ahead on the 14<sup>th</sup> & 15<sup>th</sup> January to children in Years 1-6. Rather than two performances (one per key stage) and several actors, M&M will be delivering 6 performances of The Wizard of Oz and they have come up with a very clever way of making the show interactive so only one actor will be present in school. Each year group will join together but remain at a 2m distance from the other class. We know the children love this treat each year and we hope it will brighten up an otherwise dull January! There is no cost to parents as it is funded by the SSA. All children will participate unless parents let us know they do not

want their child to watch the show. Thank you to the SSA and all parents' contributions towards the fundraising events which has made it possible for the panto to take place this year.
