

Anti-Bullying Week

The children have been involved in assemblies and discussions about anti-bullying and what that means this week. The children have thought carefully about what bullying behaviour is and how they can play their part in preventing it from happening in our school. Well done to all the children for such sensible learning this week.

Children in Need

It was lovely to see children in their spotty accessories today to recognize Children in Need. Throughout the day, children have been talking about the reason we have Children in Need and what we can do to support less fortunate children in the UK. To offer your support, please make your donation via this link

Christmas Performances

The children across the school are busily preparing for their Christmas performances. As previously shared, we hope to be able to have an audience of families for the children to perform to but this will depend on the situation at the time regarding Covid-19. We have been informed that the Department for Education are due to send guidance on this imminently. We will keep everyone informed. Should we be able to go ahead with an audience, numbers will be restricted to one adult per child and families are invited to the following performances:

Reception	Thursday 9 th December 9:30am	RB families
Reception	Friday 10 th December 2pm	RL families
Years 1&2	Thursday 9 th December 2pm	Year 1 families
Years 1&2	Friday 10 th December 9:30am	Year 2 families

We will also be filming the Reception & KS1 performances and uploading them to Google Classroom for those family members who are unable to attend to enjoy too.

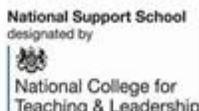

The KS2 Christmas Market and Carols will take place outside but this year we are still restricting numbers to 1 adult per child please. This takes place at 2pm on Tuesday 14th December.
