

Monday 18th November

L.O. we are learning to plan and write a narrative by creating settings characters and a plot.

It was another ordinary Tuesday however today ^{Tommy} decided to go to the library in Woking like usual. ^{Tommy} was in a smart, immaculate, emerald t-shirt that was unsurprisingly green. Tommy was in a delat ~~in~~ environment located near my house in Chertsey town center. During the day Tommy then decided to go to the library at 2pm in the morning. So Tommy happily strolled to the library with eager. Tommy was adventurously there and it was time to choose a book. Eagerly ~~Tommy~~ ^{Tommy} chose his book.

Then ^{Tommy} ~~Tom~~ chose a Stone-age book since I love history. However as soon as ~~Tom~~ ^{Tommy} read it and ~~he~~ ^{he} soon got hooked up by the book. At ~~the~~ ^{Tommy} Tommy gradually ~~with~~ ⁱⁿ ~~the~~ ^{the} ~~book~~ ^{book} he ended up in the Stone-age. The first thing that awaited him was a pre-historic Stone-age girl. Then she began to ~~approach~~ ^{approach} him in an un-familiar way.

even totally eventually

From his view he saw an unforgettable atmosphere. Communication was very hard when speaking with pre-historic people. ~~Tommy~~ ^{Tommy} felt bewildered that were he was as not a single person he was there. At this moment Tommy wanted to go home since he knew the Stone-age tradition was very ~~unfamiliar~~ ^{unfamiliar} unfamiliar. Every time Tommy came to a cave dealer they would be furious if ~~Tommy~~ ^{Tommy} ~~was~~ ^{was} ~~not~~ ^{not} ~~there~~ ^{there} which tradition one another came from.
