

26th June 2026 **WEEKLY NURSERY NEWSLETTER**

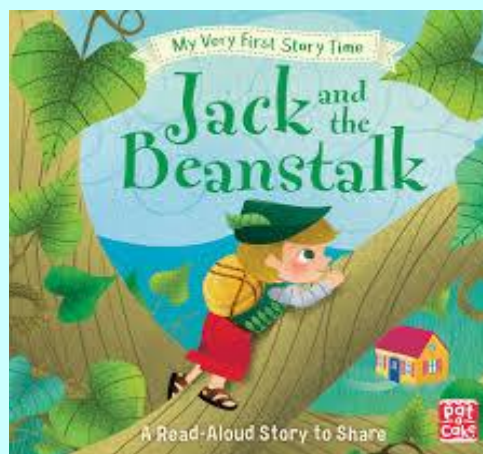

The children have been fantastic this week whilst dealing with the hot temperatures. They have been really sensible putting their hats on whilst outside and keeping themselves hydrated. 'Well Done' children.

This week the children have been planting their own beans and learning how to care for them. They also had the opportunity to make frozen yogurt with fresh fruit which was a great success as an afternoon treat!

The children are starting to revisit all of the sounds that they have previously learnt.

They are doing so well with remembering them all.
