L-O we are Learning to use paragraphing

Dear us

222 I'm writing this letter to you because I want to know what happens in The Stone age and I'm going to tell you what happens in the modern times. My name is Dylan and I'm going to improve your life.

Y I think you should kill a willy
Y. month to use a blanket and pick up
some of the bones to use as weapons.
get toothpaste and rub them together to
make a stick and to cook meat to eat.
chop down some trees to ^{carefully} make a house to
live inside!

You should use animal skin as a coat
and use some flowers to make the land
incredibly nice display some paintings
quite for decoration. go into the
lake to wash your clothes and you
chip a stone into a ball and throw it
in the air also you can kick it high in the
air. Unfortunately it might not work just
some wood and place it on the floor
and make a seat fully catch a stone
and get some string to swing around
you or for decoration.
and a toy.
The end.
