4th November 2026

Dear Year 1 Families,

Year 1 Space Workshop
Friday 13th November 2026

On Friday 13th November, the Year 1 children will take part in a Space Workshop at school organised by Science Horizons.

Linking to our History curriculum, the children will take part in a structured day of space-themed learning. Through a range of engaging and hands-on activities, they will explore topics such as astronauts, the 'Space Race' and Neil Armstrong's story. The day will also include opportunities for creative learning and role play, helping to enrich their understanding in an enjoyable and memorable way.

To cover the cost of this exciting experience, we ask for a voluntary contribution of £7.50 per child. Please log into Scopay by next Tuesday, 10th November to make the payment.

Please reach out if you have any questions. We are very much looking forward to an immersive and exciting day!

Kind regards,
Miss Bowman and Mrs Bakrania-Ashton
