# 6th Nov WEEKLY NURSERY NEWSLETTER

It has been so lovely to see the children return with smiles on their faces and happy to see their friends.

This week the children have been sharing who belongs in their family and what activities they enjoy doing with them. The children have been drawing their family and also they have enjoyed creating firework pictures. The children are also very excited to learn their Christmas song!

Have a lovely weekend.

## BOOK OF THE WEEK

The children have started to learn a phonics sound. The sound of the week is 'P'

They have been looking at objects that begin with 'P'

**IN MATHS, WE HAVE BEEN LEARNING:**

**To recognise a number and say the numbers in order.**

**REMINDERS**

**Progress meetings are next Wednesday for Mrs George and next Thursday for Mrs Quintal. You would have received an email with a link attached.**

**We have several families who have not yet created their scopay/tucasi accounts. Next term, we have some exciting experiences taking place and you will need access to scopay to consent and make payment. Thank you**

**Donations**

**If you have any left-over Christmas cards or Christmas craft resources that you do not want, we would love them for the children.**

**Thank you for your continuous support**
