So, we are learning to write by ~~using~~ using our plan to order our ideas.

### The Roman army.

The Roman army grew to half a million ~~men~~ soldiers. They had a good organisation called tight formation. Since there was a ~~large~~ <sup>nuge</sup> number of men, a centurion took charge of each century. There were ~~to thousands of legions in their army~~.

There were thousands of legions in their army. ~~If they obeyed and~~ If they had 25 years service and ~~to~~ survived they would get some land. If they obeyed they would stay in the army but if they disobeyed ~~to~~ they would get sentence to death.
